

The Owens River Water Trail Needs your help.
Please contact the Los Angeles Board of Water & Power Commissioners.
And please attend the Inyo/LA Standing Committee—2/22, 9AM,
111 N Hope Street, Los Angeles
or at the simulcast at the DWP offices in Bishop at 300 Mandich Street in Bishop
Ask the LADWP Board of Commissioners to approve the Site Access Agreement for
the Water Trail

Water Trail support comments are needed before February 22!

(Comments should be reasoned, calm in tone and having a sense of collaboration).

*Inyo County has brought a gift of \$500,000 funding for a Water Trail on City of LA lands in the Owens Valley.

* The 6.3 mile Water Trail is designed for all-ability access - disabled sports, wounded warriors.

*Paddlers will float through rich riparian habitat viewing birds, tule elk and more.

*There is widespread support for the Water Trail in the Owens Valley and Los Angeles.

***Inyo County must have a Site Access Agreement with LADWP before time runs out on the State funding - the clock is ticking.**

*Leaders in Los Angeles and decision makers in LADWP must help make the Water Trail happen and give thanks for the gift brought forward by Inyo County.

***Please find a way to say, "Yes!"**

*The Owens River is a sister river to the Los Angeles River.
